

Whole House Protection

The Lyric family of wireless devices—including smoke, motion and glassbreak detectors, keypad, door/window sensor, siren and key—feature two-way wireless technology for superior protection..

You sleep. We don't.

Lyric can be monitored by a central station 24/7. These highly trained professionals are always standing by, ready to send help to your home in the event of a burglary, fire, carbon monoxide event or other emergency. So, get some sleep.

We'll be up all night.

Honeywell Home

Welcome

to Your Connected Home

Security. Comfort. Life. Perfectly in tune.

Lyrice is designed for how you really live, with a wireless, secure platform that makes your home safer, smarter and more enjoyable than ever. Individually, each product performs brilliantly. Together, they're a way to orchestrate life.

Smart, Sleek and Simple

Control security, thermostats, lights and locks with a simple tap on the touchscreen or the sound of your voice.

- Brilliant, 7" color touchscreen
- Sleek, low-profile design
- Mounts on walls or tabletops
- Intuitive and easy to operate

Savings, Comfort and Control

Easily automate lights, thermostats, locks and more for energy savings, comfort and security.

You talk. Lyrice listens.

The Lyrice Controller responds to simple voice commands, giving you convenient, hands-free home control. Make your mornings more comfortable by saying "Wake Up" to turn the heat up. Ready to turn in? Say "Bedtime" and arm your system, turn off the lights and lock the doors. Say hello to convenience.

Any phone. Any tablet. Anywhere.

- Easy, on-the-go control of security, video, lights, locks and thermostats
- Get snapshots of anyone who arms or disarms your security system with the built-in camera
- Get email, text and video alerts when important events occur, like when your kids get home from school or a delivery arrives
